Fit

The CT1 Divider fits a standard counter top up to 25". If a different size is needed, or if you would like the panel to fit your counter specifically, the CT1 Divider provides flexibility to be fabricated to size. Note that counter surfaces must have a back wall for installation.

Each assembled panel weights approximately 32 pounds.

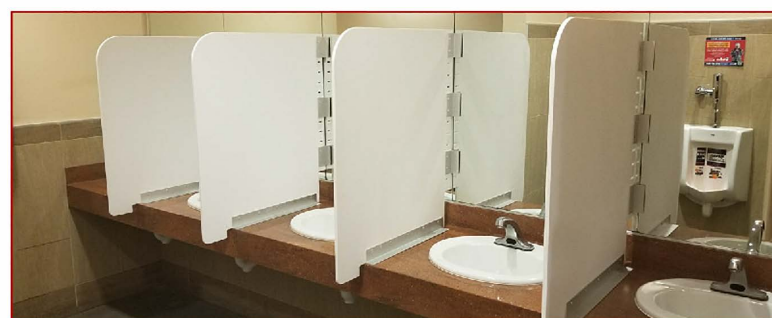

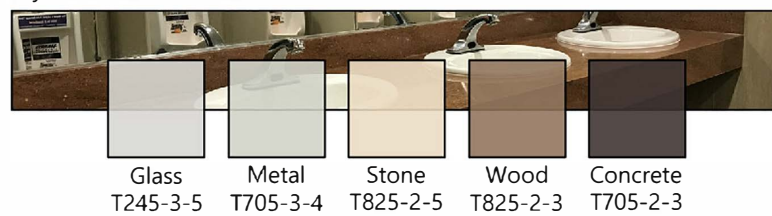

Colors

The CT1 Divider comes in Corian® Glacier White. Other colors may be chosen from the full library of current Corian® colors or Alyn resin colors below. Colors other than Glacier White will come at additional cost depending on the chosen color.

Alyn Translucent Resin
